Throughout our four years at Everett High School, we have encountered several faculty members who have inspired and aided us, one of which is Mrs. Karen Ficociello. Mrs. Ficociello is an inspirational teacher who never fails to display a love and dedication to teaching. Her support as a teacher and as a friend is immeasurable. Those students who have had the privilege of having her as their English teacher will agree that she is "Mrs. MCAS". Her enthusiasm and care while teaching in the "Blue Room" affected each student in profound ways. Mrs. Ficociello's unique style of teaching allowed every student to leave her classroom with a strong foundation and a desire to pursue knowledge. Mrs. Ficociello's passion for teaching and her support as a friend has motivated the Class of 2006 to proudly dedicate its yearbook to her. We wish Mrs. Ficociello a healthy and prosperous future and we would like to thank her for the inspiring journey which began in her class and will continue throughout our lives.

"Every end is a new beginning."

-Mrs. Ficociello

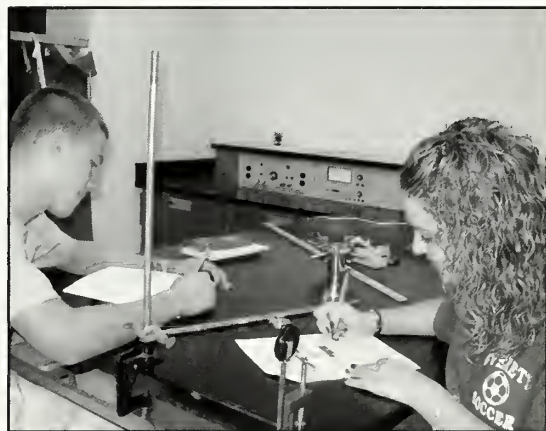

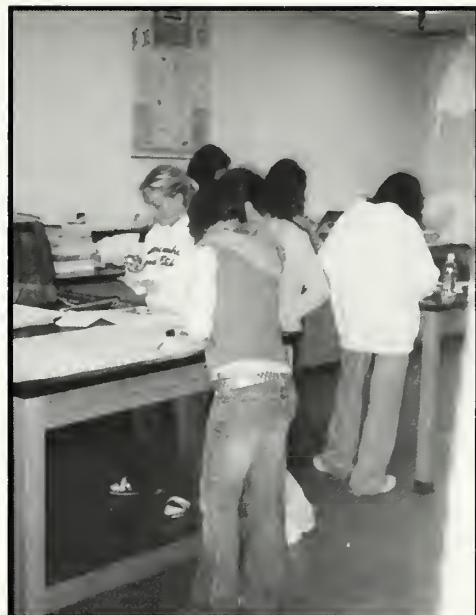

Everett is a multi-cultural, blue collar municipality. It was once called the city of diversified industries. Everett is located approximately 3.5 miles north of downtown Boston Massachusetts. Roughly 37,000 people live in Everett.

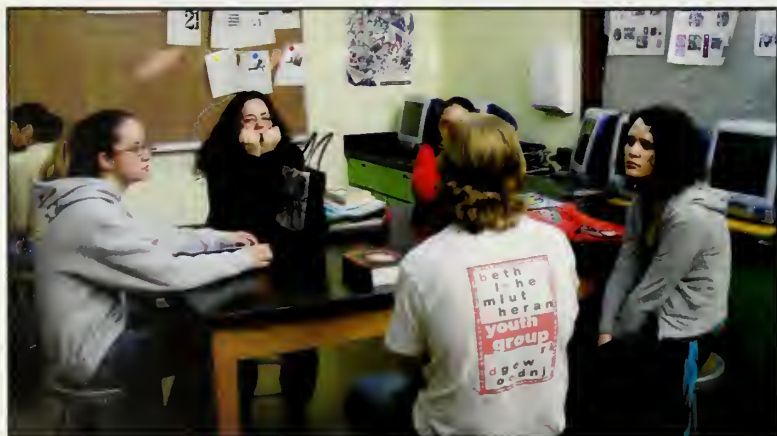

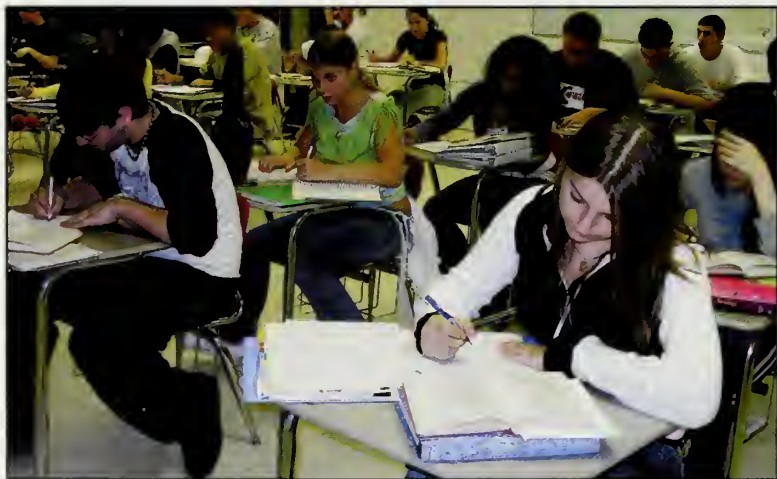

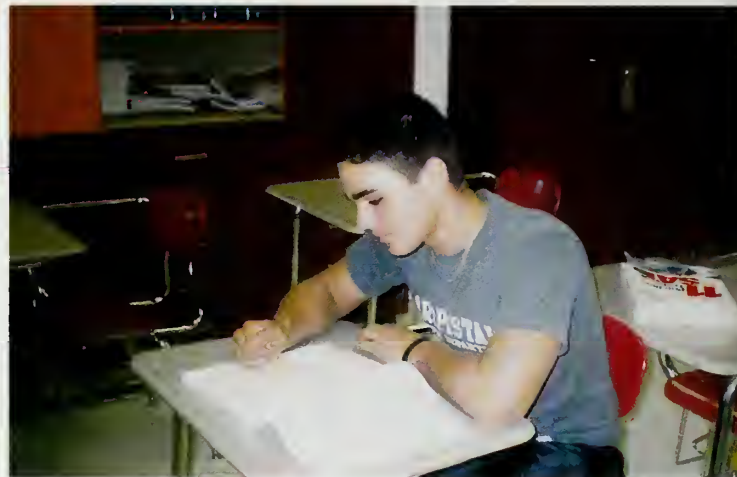

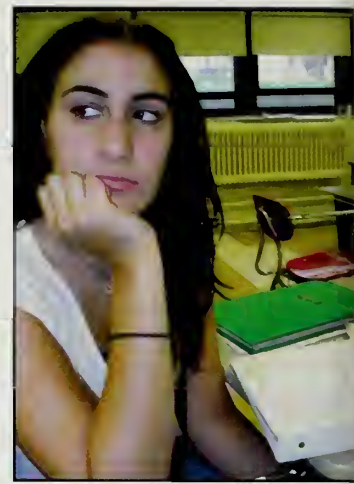

Everett High School is a comprehensive four year public high school that includes a vocational division. The total enrollment of 1710 students represents 35 countries and 23 languages. The traditional curriculum offerings include; English, Math, Science, and Social Studies. Physical Education and HEalth are other required subjects that each Everett high School student must tak and pass. Art, Music, Reading, and Technology Education are othger courses offered to students. Every student in Everett High School must complete four years of English. Three years of math, science, and social studies is also required, with a fourth year of each highly recommended. Two years of a foreign language are required and students are encoraged to take a third and fourth year of a language. Both the school to college and shcool to work programs have specific requirements for graduation.

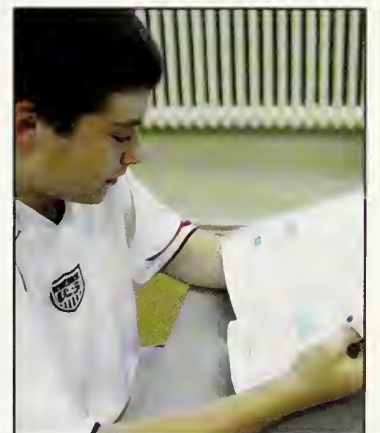

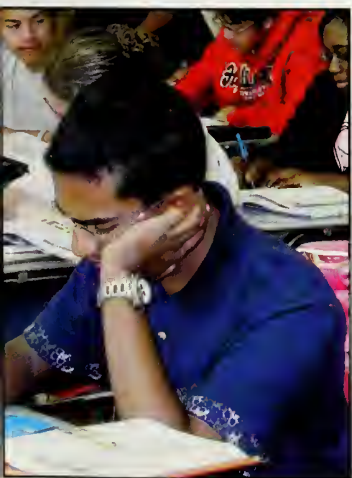

Everett High School's school to college curriculum is designed for the students who plan to further their education after graduation from high school. Students enrolled in this course are preparing to enter colleges, business and technical schools, or for the transition of school to work. The school college curriculum itself is dicided into various programs designed to meet the diverse interest of the student body, and include advance learning classes and Advanced Placement Courses. The purpose of all program offerings at Everett High School is to challange the student by raising the expectations and providing each student with the most rigorous program they can successfully complete. Classes in each academic program are open to all students in the high school. There are no restrictions on students taking any particular courses. There is a complete intregation of the academic and Occupational Education and students enrolled in either area may take any courses offered by the other.

The variety of our programs at Everett High School allowed students to select a vast of college majors including; Accounting, Mathematics, Computer Technology, Internation Relations, Theater Arts, Enngineering, Physical Therapy, Fashion Design, Biology, Pre Med, and Bio.Med. Engineering. Last year's statisites on continuing education showed that 78% of Everett High School students went on to higher education. When you consider only students enrolled in the academic course, that percentage reaches 85%. The universities' students have been accepted to include Boston College, Boston University, Stonehill College, New York University, Tufts University, University of Miami, Merrimack College, Browne University, University of San Diego, Hawaii Pacific University, and every state school in the Commonwealth.

Everett High School is a member of the Metro Boston Tech Prep Consortium. The purpose of our Tech Prep articulation is to improve the opportunities of students to successfully enter an increasingly competitive work force. This program prepares students for high skill technical occupations and allows either direct entry into the work place after high school graduation or continuation of studay leading to an associate degree in a two year college.

Class History...

Change is one of the scariest concepts in life. Walking into a strange building with hundreds of strange people; you have no idea what to expect. We spent our elementary school days watching shows like: "Saved by the Bell," "Boy Meets World" and Dawson's Creek," fantasizing what high school would be like when we finally got there. We all hoped that we would not end up like "Screech" or "Pacey"...We all desired to be popular like "Kelly" or "Shawn". What we had not yet realized is that highschool would make us who we will be for the rest of our lives- not some mad up TV character.

Yes, change is a scary concept; but it is an experience which dominates our whole lives.

Anxieties ran high one fateful day in August. We entered those infamous red doors on 548 Broadway as naive freshman. The halls were filled with bustling upperclassmen, mixed with well, all of us. We scurried through the halls - lost - but pretending not to be. Weeks passed and our anxieties wavered. Sure, we still had to get used to walking down the packed hallways; but the freedom of following our own personalized schedules was a big change, and a wonderful new responsibility. We intergrated into the Everett High school community in no time and finally began to enjoy ourselves. Some of us joined clubs, while others enjoyed the EHS sports community. We watched our budding girls hockey team gain respect and prestige, while our football team won the Super Bowl - and saw our Drama club put on a wonderful rendition of the famous musical "Grease". Our freshman year was a pivotal point in our lives. We entered scared and naive; however, by the time summer rolled around we were comfortable and a little more mature.

Two fun summer months passed and we entered those big red doors for the second time. Less scared, and more confident, we watched the new freshman enter the building. We soon learned that our sophomore year would include a trip down MCAS lane. In many of our classes we were taught important skills that we needed to do well on our exams. When MCAS skills were not being forced into our brains, we continued to enjoy all EHS had to offer. We continued to watch our track, hockey, soccer, and football teams prevail. Furthermore, our drama club continued to entertain us with, "My Sister Eileen" as well as "Anything Goes". Sophomore year also meant that we had our sophomore semi; it was a "Night to Remember". The winter of our sophomore year brought in many snow days; and, when it was finally over, it seemed never to have begun.

Junior year! Finally we earned the unwritten rights of upperclassmen. For many of us this meant that we were now eligible for varsity spots, officers positions in clubs, as well as lead roles in our drama club. Junior year also meant PSATs and for our ambitious, the SATs. Courses became harder as teachers began to baby us less and prepare us for college. As sixteen and seventeen year olds we began to have more responsibility as well as more freedom. Many of us started our first jobs, bought our own tickets to rated R movies, and did things that we were too young to do a mere year earlier. Furthermore, we reached the year of driver's licenses. Driving around with friends to wherever you pleased was another perk to our junior year of high school. Slowly, but surely we were becoming adults. After many strenuous months of hard work, our junior year ended; in a few short months we would become **seniors**.

Senior year was finally upon us; the culmination of our 11 years of school - the ultimate point of our education. We now had to accept the responsibility of looking for colleges and taking our infamous SATs. Finally we were the oldest kids in the building. After three years of waiting, we got to watch the new freshman along with the sophomores, and juniors, get used to the building. Watching the freshman some of us longed to return to the oblivious year, while others sighed with relief and memory.

As I am writing this we are at the end of our first quarter of our senior year. Again we are at the point of wondering what is to come in the future. From observing our peers I think that it is safe to say that the majority of us are scrambling over college applications and searching for what we want to spend the rest of our lives doing. The rest of us are beginning to realize that in a couple of months all applications will be due, and for those heading to college need to get started. Many of us are dropping our barriers and branching off into many different groups of friends. It seems that the more we want out, the more we try to hold on to EHS. Letting go of our twelve years of structure is going to be one of the hardest changes we'll ever undergo. The majority of our lives was spent in school, and adjusting to a whole new life is going to be a challenge. We are holding on with all our might, but at the same time running away will full force.

I hope that when you read this you will look back and remember the beginning of our senior year, and laugh at how stressed out and scared we all were. Who knows what is to come?

Class of 2006, it is time to let go of the past. We need to accept our future and become prepared for life as freshman once again. For the others who are setting off on a different path - good luck - and do not forget what you learned in your twelve years of school. I hope that each and every one of you finds success, and I look forward to seeing you again at our reunion.

"DO NOT FORGET WHERE YOU HAVE COME FROM - WITHOUT IT YOU WOULD BE GOING NOWHERE"

With love, Maria Barbagallo

STUDENT LIFE

"Gooooood morning Everett High School, today is Day 1" so began our morning for the past four years of high school. As freshman we climbed the never ending stairs to our third floor home rooms. When the bell rang we ventured out into the hallways with the question of odd or even ringing in our minds. We spent our days searching for the 4th floor's hidden door and was told many times that this school had no pool. As freshman year came to an end we were excited to know we wouldn't be the youngest students in the school anymore.

Now that we became upperclassmen we can look at what we accomplished in four years. We went out of our way to hide from the classmasters. We tried to keep our hats from Mr. Baldi. We diligently forgot to do our homework. We bravely fought our way through cramped hallways and the line for "Pizza Joe". We worked, and pretended to work, in the library under the watchful eye of Mr. Kerwin. We donated blood, wrote newspaper articles, survived fire drills in the freezing weather and prayed for snow days.

We joined Math, Science, Art and Poetry clubs. We became chefs, actors, actresses and musicians. We excelled on the fields of sports winning Superbowls, as well as league championships including football, baseball, softball, basketball, and soccer. We cheered with passion for our teams of choice. We swam, golfed, shot pucks, high jumped volleyed. With we came in first or second best we did it with pride. Afterall we are filled with "Everett Pride".

And so Class of 2006 we all move on to bigger and better things. We hope. And although we may be in different places as our lives move on we will always share the memories of our student life at Everett High School.

To Succeed In Life

To Prove The One That Doubted Me Wrong

It has been a very long and hard years for me but I've learned from it and grew. I want to thank all my girls and boys for being there through my good and bad experiences. And of course my family. This school has taught me many things in life and I'm going to miss it but now it's my time now and Goodbye.

I would first like to thank my family and my closest friends for helping me get to where I am today. High School may seem like torture for many but I differ. Some may catch me walking through the halls of Everett High and I may not look like the happiest of the bunch but in reality I do cherish these memories. I look at life and see what's next? I have come to realize, this school has helped me mature as an adult and see what responsibilities I must take on to become the person I want to be in life.

wishes you the best and would like for you to:*

Take time to work, it is the price of success.

Take time to think, it is the source of power.

Take time to play, it is the secret of perpetual youth.

Take time to read, it is the foundation of wisdom.

Take time to be friendly, it is the road to happiness.

Take time to dream, it is hitching your wagon to a star.

Take time to love and be loved, it is the privilege of the gods.

Take time to look around, it is too short a day to be selfish.

Take time to laugh, it is the music of the soul.

SPORTS

Field Hockey

The 2005 Field Hockey Team had its rebuilding year. Hard work and diligence on the field was proven through the great attitudes and close scores in each game. The talented squad worked through a competitive season, falling short on many occasions. Despite the hard fought losses, the girls worked together to build a completely new team. Graduating five seniors, two four-year starters,

the team hopes to carry on with its great attitude, talent, and team comradery. We hope that the year of rebuilding would shape next years group of girls into a top contending team in the G.B.L.

Though the team's record in 2005 was not the most outstanding, the team's solidarity and spirit certainly was. The four senior captains: Kristen Antzak, Carmela Cardaropoli, Pierette Cimea and Myrta Machado played a vital role in the "togetherness" of the team. They served as fine leaders and continuously encouraged and supported their underclassmen teammates, all the while having fun as a team. One of the main goals for this season was to improve upon teamwork and morale. The girls were very successful in this area and should be proud of their hard work. The coaches wish the seniors much happiness and success in the future and look forward to the team's continued success next year.

Jacqueline Terra

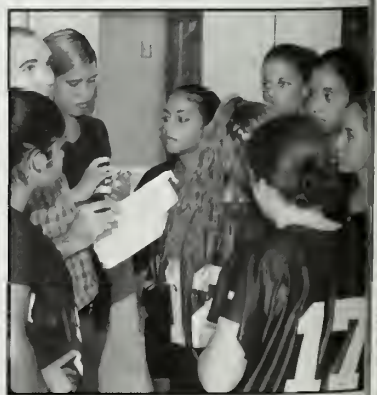

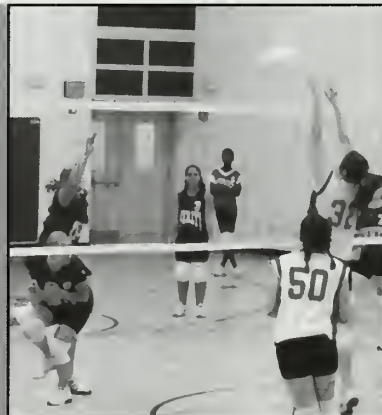

Daniela Valenzuela

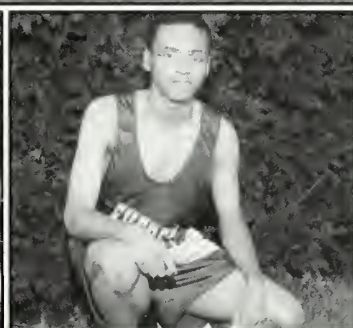

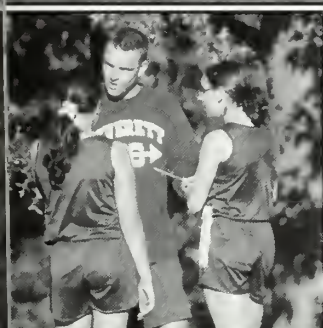

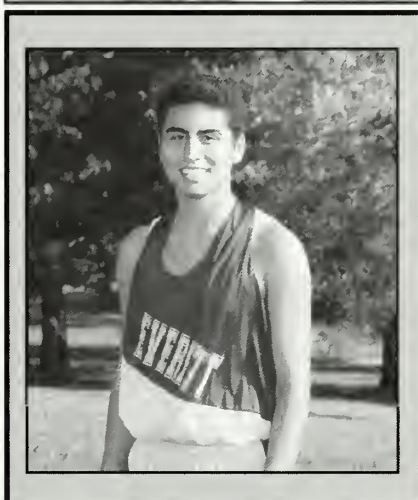

The girls volleyball team, led by senior captains Daniela Valenzuela and Jacqueline Terra, were in the hunt for a tournament berth until the last week of the season. They defeated league rivals Revere and Somerville, and won impressive matches over play off teams Medford and

VOLLEYBALL

Cambridge. Junior setter Camila DeAguilar and freshman outside hitter Handressa DaSilva earned GBL allstar honors. With eight varsity players expected back, the girls volleyball team should be a force to reckon with for years to come.

Cross Country

Golf

This was a rebuilding year for the EHS golf team. Four seniors played hard for the team. Co-captain Anthony Cruciotti played #2 with a 42-2 scoring average, Jonathan McCabe played #4, Paul Murphy #5, and Co-Captain Jonathan DeFilippo #1, with a 39-2 Scoring average. The season's major high point was Jonathan DeFilippo's 3rd place finish in the GBL-Allstar golf tournament at the challenging Indian Ridge Country Club. The teams record was 1-10 with very close matches with Waltham, Somerville, and Cambridge. The Seniors efforts were greatly appreciated. Returning Letterman: Jonathan Bamford, Aleé Bellante, William Denish, Matt Flagg, Mike Hoban, Dan McGrath, Orion Musmecci, Eric Nymon, and Jace Sheehan.

SOCCER

Boys

2005 boys varsity soccer season was full of ups and downs, but each player gave 100%. Everett was

in every game and had a chance to win many of them. The team was full of many underclassmen who contributed greatly as well as the consistent play from our junior and senior players. With the help of these younger players the future of the Everett Boys soccer team looks very promising. We thank the seniors who sacrificed for the past four years and we wish them luck in the future.

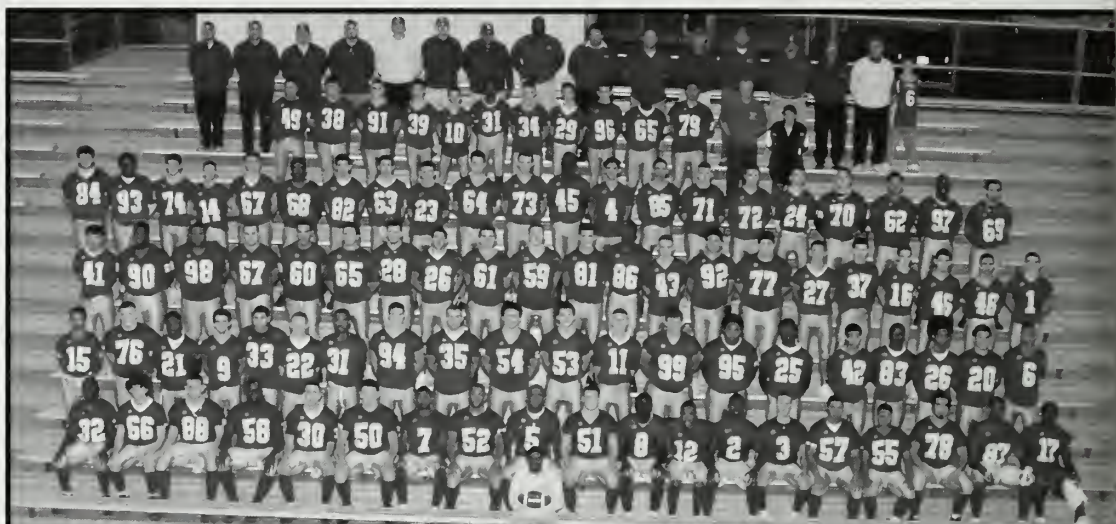

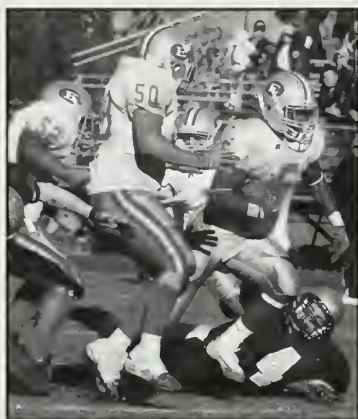

CRIMSON TIDE

FOOTBALL

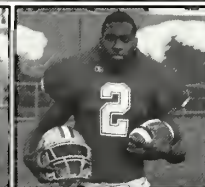

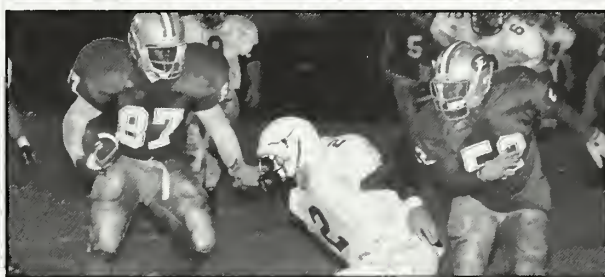

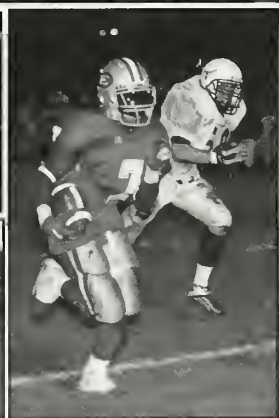

2006 EVERETT HIGH SCHOOL FOOTBALL

The Everett High Football team continued its winning tradition and captured their tenth GBL titles in the last ten years, led by captains Peter Forte, Stanley St. Juste, and Pat DeLeon. The Crimson Tide finished with a 10-1 record. The season was highlighted by hard fought victories over non league opponents: Leominster, Fitchburg, Catholic Conference power BC High, Waltham and Malden to capture the title. Forte and St. Juste were recognized for their work on the offensive line by being named to the Boston Herald All-Scholastic team. Members announced as GBL All-Stars included DeLeon, Michael Lamontagne, Judah Jackson, Maradona Alcime, Forte, and St. Juste.

This being the last year for the senior cheerleaders, there was much hope that this year would be as exciting and fun as the past years. Having already cheered for two superbowl championships and competing in Nationals in Orlando, Florida their sophomore year, the cheerleaders were excited for the 2005-2006 cheerleading season. Led by captains Mari Marchant, Danielle

Welson, and Nicole Therrien, and seniors Jaclyn Connors, Christina Conti, Dorianne Griffin, Brittney Guinta, Leigh-Ann Scolaro, Aylesse Sordillo, and Megan Thompson, the cheerleaders showed their talent not only at the football and basketball games, but on the competition floor. Whether it was decorating on Thanksgiving, the team breakfasts, or just having fun at the games, the girls all shared memories that will always be remembered. The seniors would like to thank Mrs. DiBiao and Jamie Young for the help they provided, and also with the girls much luck in the coming years.

BOYS BASKETBALL

The 2005-2006 Everett High School Boys Basketball team proved to be an electrifying group of talented athletes as they made a run at the GBL title only to come up a bit short. They finished second in the league behind only Cambridge with a respectable 12-6 record.

Captain Marc Benjamin

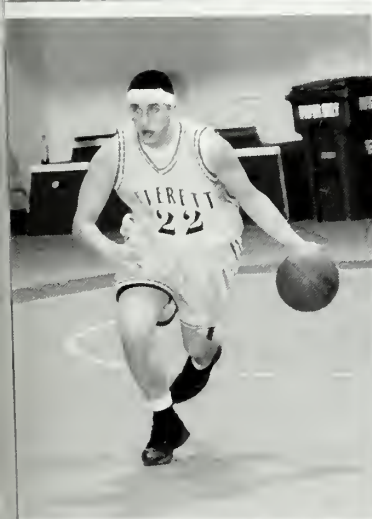

Captain Pat Deleon

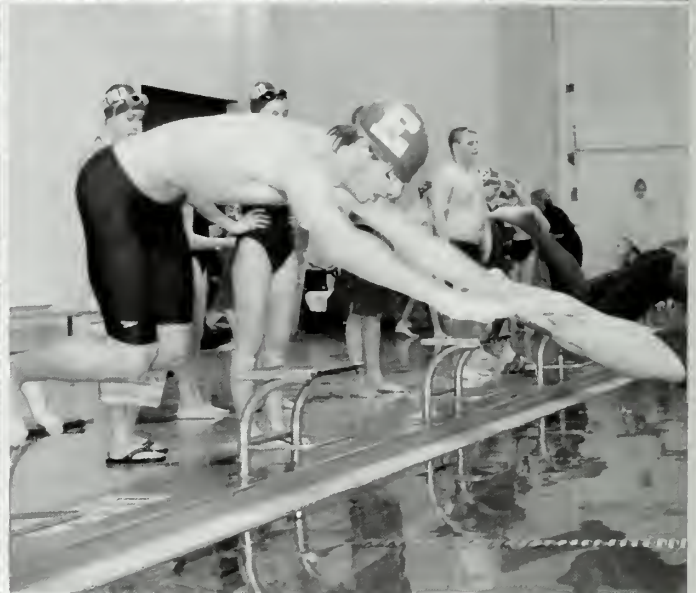

Captain Judah Jackson

The team was led by high scoring captain Judah Jackson, as well as captains Marc Benjamin and Pat Deleon. Rounding out the contributing seniors were Matt Grassa and Jeff Lopez. The hoopsters provided a wealth of excitement in the post-season with a buzzer beating game winner against Somerville in the quarterfinals. Jr. Allen Prophete delivered the 2 pointer. The team then traveled to Lawrence coming up short in a close contest, 68-72. The team exceeded the expectations of many and with the outstanding talent that remains the staff eagerly awaits next season.

SWIMMING

It was an exciting year for the swim team as we reached new depths. Our coaches Jen Nigro and Joy Kehoe did a tremendous job in helping us reach our potential. Senior Josh Owour made great progress throughout the four years that he was on the team. We accomplished our goals and solidified as a team. We stood the test of time and had a great time doing it. Captains Julie Guinto and Jackie Hegrur led the team through a growing and satisfying season. This year was a great rebuilding tear for the swim team and seems to be growing satisfactorily. 'Till next year.....

GIRLS BASKETBALL

The 2005-2006 girls basketball season was lead by senior captain, Alyse Bookman and junior captain, Tamara Kearney.

Seniors Keshia Monvil, Nydia Delva, and Pierrette Cimea, led the team and showed juniors, Julieann

Kibby, Katie Lapointe, Lauren Concannon, Danielle Nadeau and Nicole Reyes about commitment and heart. The two sophomores Jessica McCarthy and Natalie Batres truly stepped it up this year. Though it was a rebuilding year the

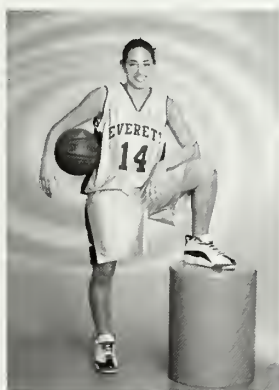

team came together and enjoyed the whole season.

Change began early with a new coaching staff lead by Tammy Turner and asst. Erin Legget. They wish the seniors best of luck in the future. They also congratulate everyone and highly appreciate their time and effort throughout the

season Senior Shawneen Moffitt was unable to participate in the 2005-2006 season due to chronic illness.

GIRLS HOCKEY

The 2005-06 season saw the end of an era and history being made. This class was the first of girls' hockey players at Everett to have played as varsity participants for 4 years. These girls were freshmen during the inaugural 2002-03 season. 5 out of 8 seniors have the distinction of being the last from our original team. They include Amanda Howard, Stef Sachetta, Christy Delling, Julie O'Neill and Tiffany Sullivan. The remaining seniors were either transfers; Carol Woods and Amber Stilwell, or joined the team after their sophomore year; Laura McCarthy. Howard, Sachetta, and Woods were all selected to this year's GBL all star team. While this year's team did not make it to the tournament they finished with a respectable 7-10-3 record, just 3 points shy of qualifying. Everett played its best hockey this year down the stretch in losing efforts against some of the state's toughest teams. Although missing the tournament the girls can hold their heads high for battling through a season where the odds were stacked against them. They should look back with pride at the history made by their class.

TRACK & FIELD

This year both girls' and boys' indoor track teams has a good season, coached by Coach Naumann, Coach Leo, Coach Jess, and Coach Delloiacono. There were many close meets and great individual performances.

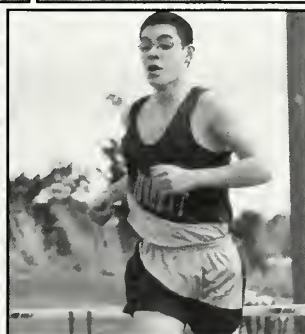

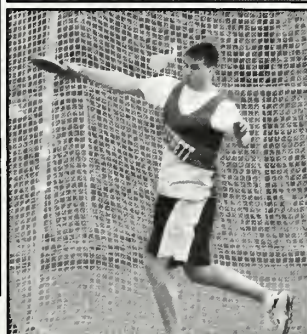

The boys' team consisted of senior boys Mike Cole, Eddie Knight, Maradona Alcime, Peter Forte, Eric Urquiza, Anthony Brown, Jeff Enayo, Erin Bashllari, Stanley St. Juste, and Jasmin Imsirovic. On the girls team, senior Myrta Machado and Leigh-Ann Scolaro led the girls to finish fourth in the league meet. Among the senior girls and boys Myrta Machado, Peter Forte and Maradona Alcime were selected GBL all stars and all three set new school records. Best of luck to all seniors in their future endeavors.

Spring TRACK

Spring of 2005 was a great year. Many of our goals were reached among the senior athletes. In the track team we had incredible talent such as Maradonna Alcime, who was the GBL's high jump and 100m hurdles champ. Myrta Machado was a GBL all star working hard to reach all her goals and making it to the Class A state meet. Eddie Knight, Eric Urquiza, Anthony Brown and Jasmina Imsirovic worked hard all year to build a strong distance team. The best is wished to all of our seniors.

SOFTBALL

BASEBALL

The Everett Baseball team enters the 2006 season fresh off a school record of 17 wins and a share of the GBL title with Arlington. Expectations to repeat last years success are high with the return of seniors: Matt Savage, Peter Forte, Michael Cole, Eddie Holt, Rick Milley, and Jimmy Spencer. Mo St. Fleur also returns as team manager and bat boy. Forte a GBL all star catcher as a junior, will anchor the pitching staff led by Cole, also a GBL all star. Holt and Savage return to the outfield while Milley will provide solid defense in the infield, Spencer expects to eat up variable innings with his assortment of pitches late in games. The Crimson Tide also boast a strong group of underclassmen to go along with the impressive list of seniors. With a strong work ethic and dedication to all facets of the game, the Tide promise to be a fun team to watch in 2006.

GIRL TENNIS

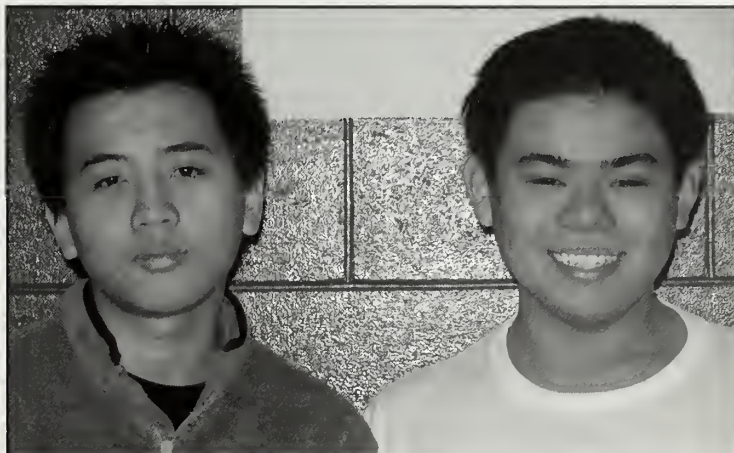

The Everett Girls Tennis Team had a more impressive season than indicated by their 5-11 record. The team showed a vast deal of improvement from last season, competing with some of the better teams in the conference, and defeating previously untouchable opponents such as Arlington and Medford.

The team was led by singles players Carol Woods, Mary Walsh, and Jaqueline Terra; and by the doubles teams of Julie Tran and Jessica Coudry, and Betsy Huse and Lile Pandolfo. Furthermore the dedicated seniors of the JV team, Sandy Pharon, Marsha Jean-Laurete, and Maria Barbagallo have also shown improvement. With all players returning next year, the 2006 season looks to be promising. With persistent hard work and dedication, the team should continue to improve.

BOYS TENNIS

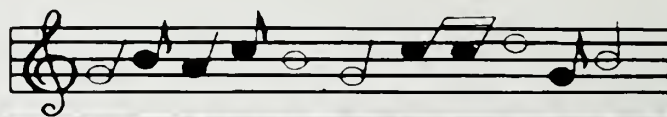

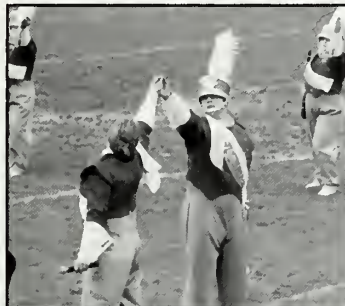

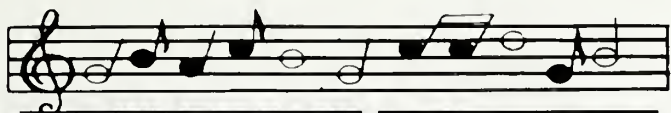

2005 crimson tide MARCHING BAND

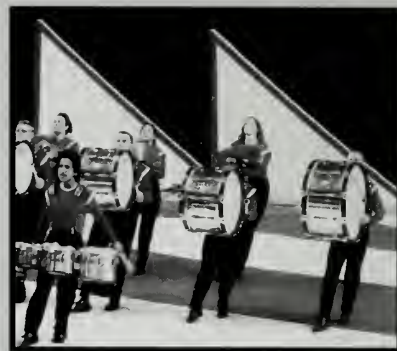

The 2005 edition of the Crimson Tide Marching Band got off to a great start at the annual band camp, held down at the Cape Cod Sea Camp. The students practiced in 90 degree weather for 5 days to learn their 2005 field show. With 70 members in attendance the band got a lot done in preparation for the fall competitive season. The Crimson Tide Band is one of the rare bands that performs at all home and away football games along with 9 field competitions held throughout New England. The band placed 2nd at the Malden Invitational and 2nd at the Everett Invitational. The shows in New Bedford, Attleboro, and East Bridgewater were rained out. They placed 1st at the Dedham show and captured the silver medal at the Massachusetts State Championships.

The band went on to the New England Championships and placed 3rd and took top honors for field music and field marching. Many people don not know that at one point in the season the band went for 3 consecutive weeks without taking a day off, which included Saturdays and Sundays. The band also performed at the Boston 375th Jubilee Parade, the Veterans Day Observances, and a Special Grand Opening of an AJ Wright store in Danvers.

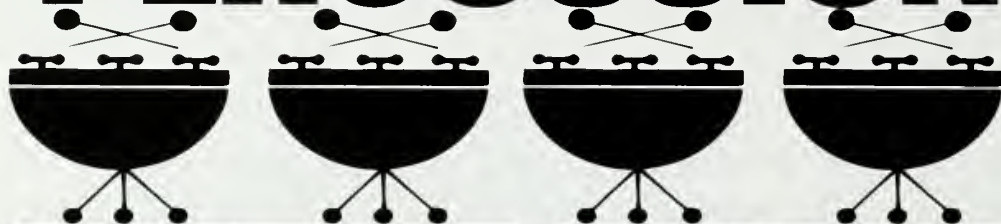

Overall this was a very successful year for the band and would like to salute the seniors: Lino Amada, Pradeep Fernando, Sarah Goscinak, Marie Maitre, Meagan Michelson, Karl Neuwinger, Dennis Tavares, and Anthony Thomas.

Young and naive; there we were, us freshman were simply looking for a place to belong. we knew that we were in the right place upon our first audition-Our Town. The atmosphere seemed to be competitive yet welcoming. reading at our first audition became a learning experience. Followed by Our Town, was our first musical, Grease. one word can sum up the performance - fun. By the end of freshman year it was evident that this club had been a maturing and

fruitful experience. Spotlight after spotlight we grew. Sadly, each performance we realized that our time to shine at Rockwood auditorium was coming to an end Now, as we say our goodbyes, do not be sad, remember that from every ending of every play came the beginning of some other play. This is not goodbye, think of it as goodnight, the end of another closing night. but as usual another chance is on the way. "Every new beginning comes from some other beginning's end"... To the Graduates

When you look back in history of the past graduates of Everett High School you will find many successful graduates. You are now part of Everett High history and we look forward to hearing your future accomplishments and successes.

The year 2005 will be remembered as a time when the country came together to help thousands of people overcome the destruction caused by the Hurricanes of 2005. It is also marked by the past graduates that are fighting for a free Iraq.

This was a very significant example to you of how your dedication and contributions can make a difference in the lives of many people.

As you have spent these very important High School years together, it is my wish that you continue to be involved with your friends and your city and that you have a prosperous future.

Best Wishes to the Graduating Class of 2006

You will go forward, having a brave and bold encounter with the future. You have the power within you to be successful in all your endeavors, to be happy in all your choices, and to be grateful to all your teachers and your parents. Be charitable to those less fortunate, be kind to those you meet, and be ever mindful of the people around you who love you.

May your life be prosperous, healthy and happy.

Okay, it may be true that we could never see our friends again after we graduate. We might not hang out with the people we thought would always be there, no matter how many promises were made to keep in touch. Our years at Everett High have been crazy, but none more crazy than Senior year. Whether good or bad, the memories of study halls and English class, proms and hanging out with friends will always stay with us. It would be too cliché to say that our time at Everett High has "shaped us into the people we are today." Though our experiences may have guided us to this point, the truth is we never stop growing and we never stop learning. At this point, moving into a dorm or an apartment or even your parents' garage is a change showing that you're growing up (though some more slowly than others).

Graduating does not have to mean that we have completely forfeited our adolescence. We will always have an inner child but as we continue to grow, we will mature mentally, emotionally, and spiritually. This maturity will help us keep our lives stable. And as a famous author once said, "If you can keep your head while all others around you are losing theirs," then you are ready to grow up.

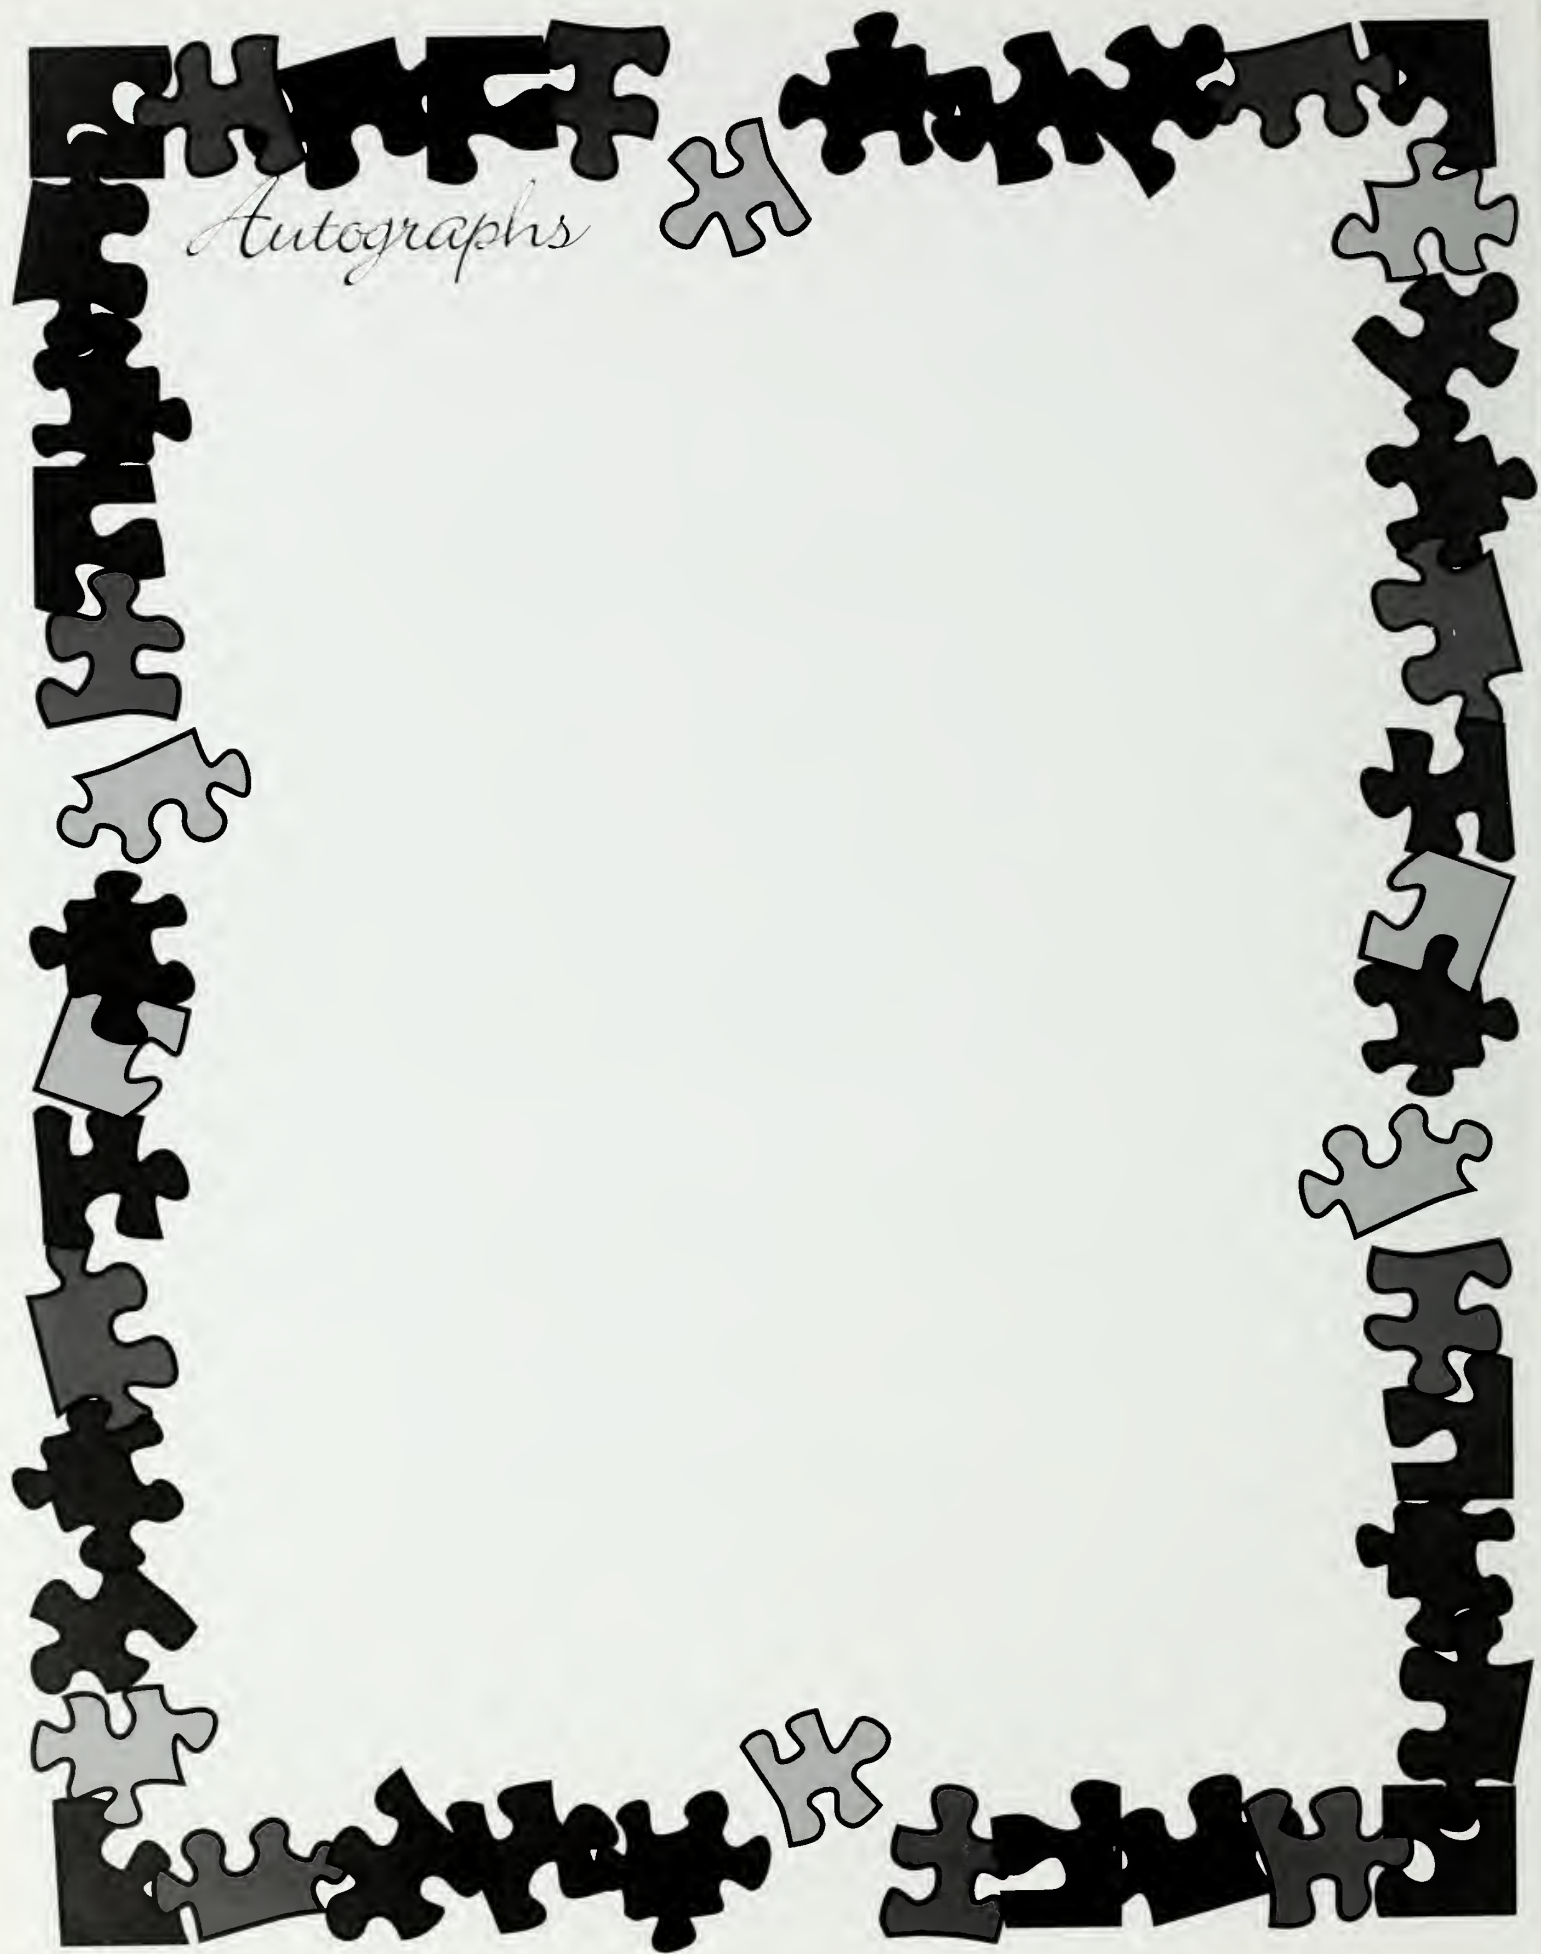

Victoria A. Feliciano

Hurricanes ravage the Gulf Coast region in the fall of 2005, posing an unprecedented test of the United States federal emergency response efforts. Hundreds of lives are lost and thousands are left homeless in the wake of Category 4 Hurricane Katrina, followed by Rita and Wilma. The tragedy spurs contributions of money, talents, homes, food and more in an attempt to raise spirits and rebuild the area.

August

- 25 Hurricane Katrina strikes Florida.
- 28 Mandatory evacuation of both New Orleans and Mississippi is ordered as Katrina becomes a Category 5 storm in the Gulf of Mexico.
- 29 Downgraded to a Category 4 storm, Katrina hits land. 1.3 million homes and businesses lose electricity in Louisiana, Mississippi and Alabama. 30 levees are breached, flooding New Orleans and leaving 100,000 people stranded. After slow government response, civil unrest and looting begins.
- 31 President Bush surveys the damage.

September

- 1 30,000 National Guard troops are deployed. Gas prices spike to as high as \$5 per gallon.
- 2 President Bush visits Louisiana and signs a \$10.5 billion relief bill. Nearly 154,000 evacuees arrive in Texas.
- 4 The New Orleans Superdome is evacuated.
- 6 President Bush and Congress pledge to investigate the flawed disaster response.
- 9 Government-issued debit cards are distributed to evacuees. The program fails and is ended days later.
- 12 Michael Brown, head of the Federal Emergency Management Agency, resigns. Flooding is down to 50 percent in New Orleans.
- 14 New Orleans Mayor Ray Nagin announces a phased repopulation plan.
- 15 New Orleans begins to reopen. Katrina is named the most destructive hurricane in U.S. history.
- 20 Louisiana Governor Kathleen Blanco declares a state of emergency as Hurricane Rita strengthens off the coast.
- 22 Rita hits the Louisiana coast and heads for Texas.
- 23 Thousands evacuate eastern Texas and the 9th Ward of New Orleans floods once again after levees are overrun.

October

- 24 Hurricane Wilma hits southwest Florida.

RISE FROM THE STORMS

Thousands of Louisiana evacuees receive shelter and medical care in the Astrodome in Houston, Texas.

Homes across the country are opened to families left homeless in the wake of Hurricane Katrina.

Louisiana Governor Kathleen Blanco, President Bush and New Orleans Mayor Ray Nagin survey the damage in New Orleans.

Many animals left behind during evacuation are rescued and given shelter or reunited with their owners.

Thousands of volunteers help Habitat for Humanity rebuild homes in Louisiana, Mississippi and Alabama.

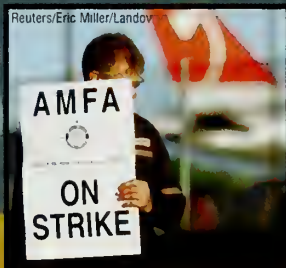

Three months after Katrina strikes, the first New Orleans public school reopens on November 28.

05-06 Movies

Golden Globe Best Actress nominee Keira Knightley shines in the hit movie *Pride and Prejudice*, based on the 1813 Jane Austen novel.

Moviegoers rush to see *March of the Penguins*, a surprise hit documentary that follows a year in the life of a flock of Emperor penguins.

"The boy who lived" returns for more adventure in the fourth movie installment of the Harry Potter series, *Harry Potter and the Goblet of Fire*.

Praised by critics and audiences alike, Peter Jackson's remake of the 1933 classic *King Kong* becomes a giant box-office success.

The life of the late Johnny Cash is the basis of the Golden Globe-winning *Walk the Line*, starring Best Actor winner Joaquin Phoenix as Cash.

Box-office profits are down in 2005, due in part to the trend of movie fans opting for the quick release of hit movies on DVD.

The beloved C.S. Lewis series comes to life on the big screen in Walt Disney's *The Chronicles of Narnia: The Lion, the Witch and the Wardrobe*.

Best Picture Academy Award Nominations

- *Brokeback Mountain*
- *Capote*
- *Crash*
- *Good Night, and Good Luck*
- *Munich*

▲ Geena Davis receives popular approval as television's first female President of the United States in one of the year's best new shows, ABC's "Commander in Chief."

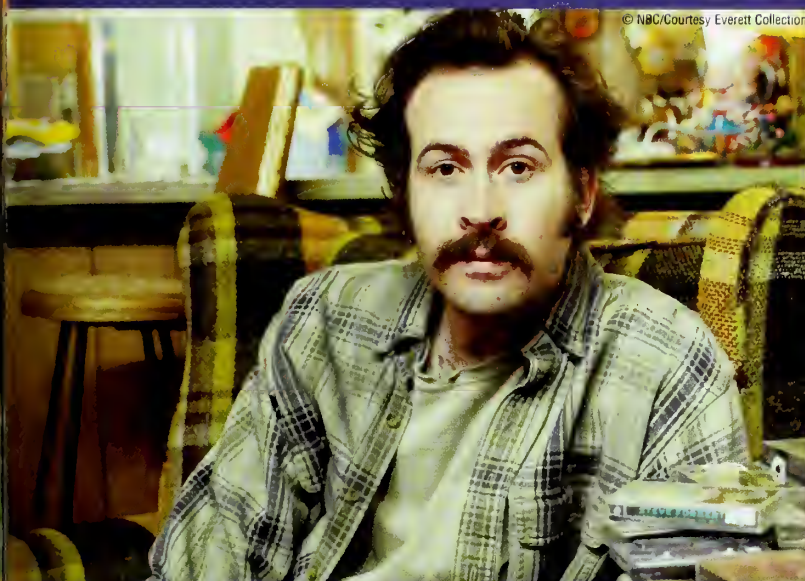

▲ Based on the childhood of comedian Chris Rock, UPN's "Everybody Hates Chris" is a hit.

▲ Doctor "McDreamy," also known as Dr. Shepherd, and the rest of the staff at Seattle Grace Hospital achieve healthy ratings in ABC's "Grey's Anatomy."

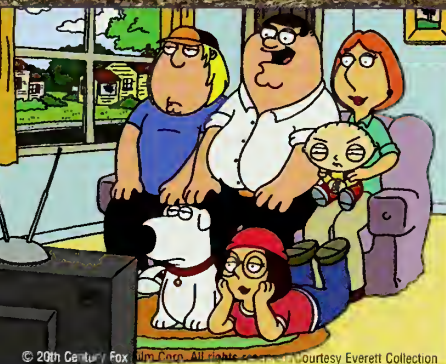

05-06 Television

▲ NBC finds a new hit comedy with the quirky story of a man in search of redemption, "My Name is Earl."

▼ Viewers can't get enough of ABC's "Lost." The show earns a Golden Globe for Best TV Series Drama and spawns countless fan speculation sites.

◀ Surprisingly high DVD sales influence FOX to bring back the formerly canceled cult favorite "Family Guy."

◀ America's No. 1 rated show for 2005 is the CBS crime drama "CSI: Crime Scene Investigation."

◀ The classic game of 20 Questions gets a makeover for 2005 with the artificial intelligence powered 20Q, one of this year's hottest toys.

◀ Music videos and TV shows are accessible on the go with the newest must-have item from Apple, the iPod with video.

05-06 Sports

▲ In February 2006, figure skater Sasha Cohen leads the U.S. Olympic Team into the XX Olympic Winter Games in Torino, Italy.

▲ Danica Patrick, 23-year-old race driver, wins Rookie of the Year honors in both the Indy Racing League's IndyCar Series and at the Indianapolis 500, where she finishes fourth.

▲ Citing conduct unbecoming to the team, the Philadelphia Eagles suspend wide receiver Terrell Owens for four games and deactivate him for the remainder of the NFL season.

▼ In June, the San Antonio Spurs win the 2005 NBA Championship over the Detroit Pistons in a thrilling seven-game Finals series. Spurs forward Tim Duncan wins MVP honors.

▲ The Pittsburgh Steelers hold off the Seattle Seahawks for a 21-10 victory in Super Bowl XL. Future Hall of Famer Jerome "The Bus" Bettis retires after the game.

▲ NHL hockey returns in fall 2005 after losing the entire '04-'05 season to a labor dispute. Fans flock to see players in new uniforms and exciting innovations like tie-breaking shootouts.

► Hawaiian golf phenom Michelle Wie turns professional on her 16th birthday and signs endorsements worth \$10 million, making her one of the highest paid female athletes in the world.

▲ In November, WWE superstar Eddie Guerrero dies of heart failure. In 2004, Guerrero was only the second wrestler of Hispanic heritage to win the WWE championship.

▲ American Lance Armstrong wins his unprecedented seventh Tour de France in July. Armstrong then retires from competitive cycling.

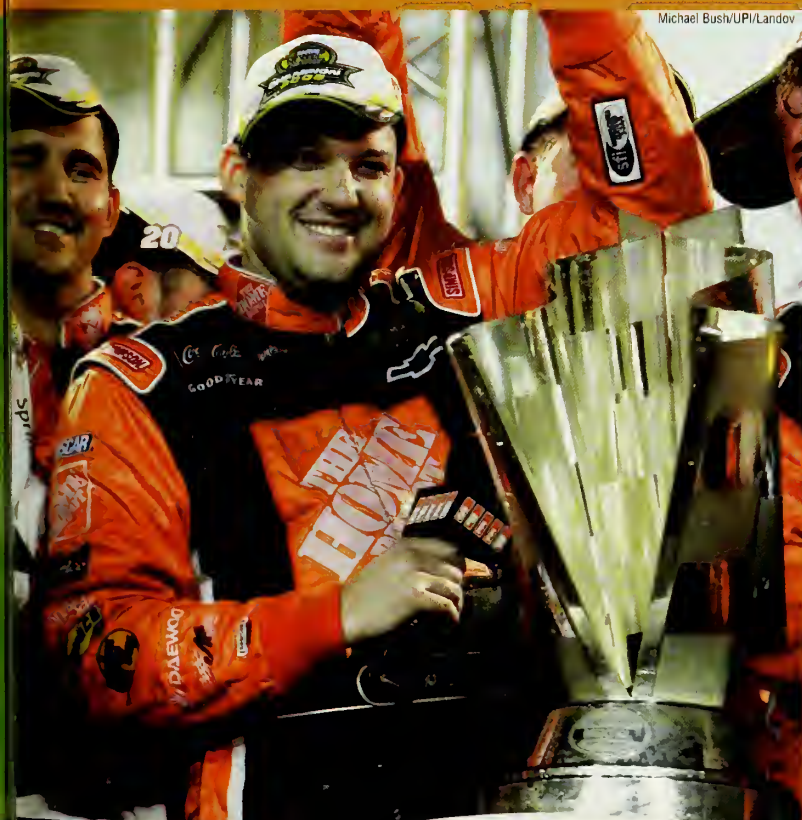

▲ BMX superstar Dave Mirra wins the gold medal in the BMX Park Finals of X Games XI.

05-06

▼ Longhorns quarterback Vince Young leads Texas to a national championship with a dramatic 41-38 comeback victory over USC in the 2006 Rose Bowl.

▲ After an 88-year wait, the Chicago White Sox win the 2005 World Series, sweeping the Houston Astros in four games. White Sox right fielder Jermaine Dye is named Series MVP.

▲ Two-time champion Tony Stewart wins NASCAR's Nextel Cup Series and a record \$13.6 million in winnings in 2005. Stewart's career Cup earnings now total over \$48 million.

▲ Swiss tennis superstar Roger Federer wins two Grand Slam titles, at Wimbledon and the U.S. Open, along with all four ATP Masters Series events.

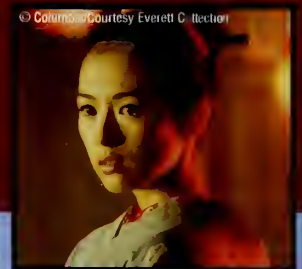

05-06 Faces

▲ Beloved "Gilligan's Island" funnyman Bob Denver dies of cancer at 70. Although only 98 episodes of the popular sitcom were made, Denver was typecast as the nutty Gilligan his entire career.

▲ Kristin Cavallari, featured on the MTV reality show "Laguna Beach," becomes one of Hollywood's hottest young personalities.

▲ Chinese actress Ziyi Zhang shines in the lead role of Sayuri in the film adaptation of the acclaimed Arthur Golden novel *Memoirs of a Geisha*.

▼ Civil rights pioneer Rosa Parks dies at 92 in Detroit. Parks' refusal in 1955 to give up her seat on an Alabama bus eventually led to laws desegregating public transportation nationally.

▲ Actor Tom Cruise, 43, makes headlines all year with his controversial views on psychiatry, his new love, actress Katie Holmes, and his couch gymnastics on CBS's "The Oprah Winfrey Show" and NBC's "Tonight Show with Jay Leno."

▶ Actor-comedian Richard Pryor dies at 65 in December. Pryor's concerts and movies in the '70s and '80s inspired performers like Eddie Murphy, Arsenio Hall and Robin Williams.

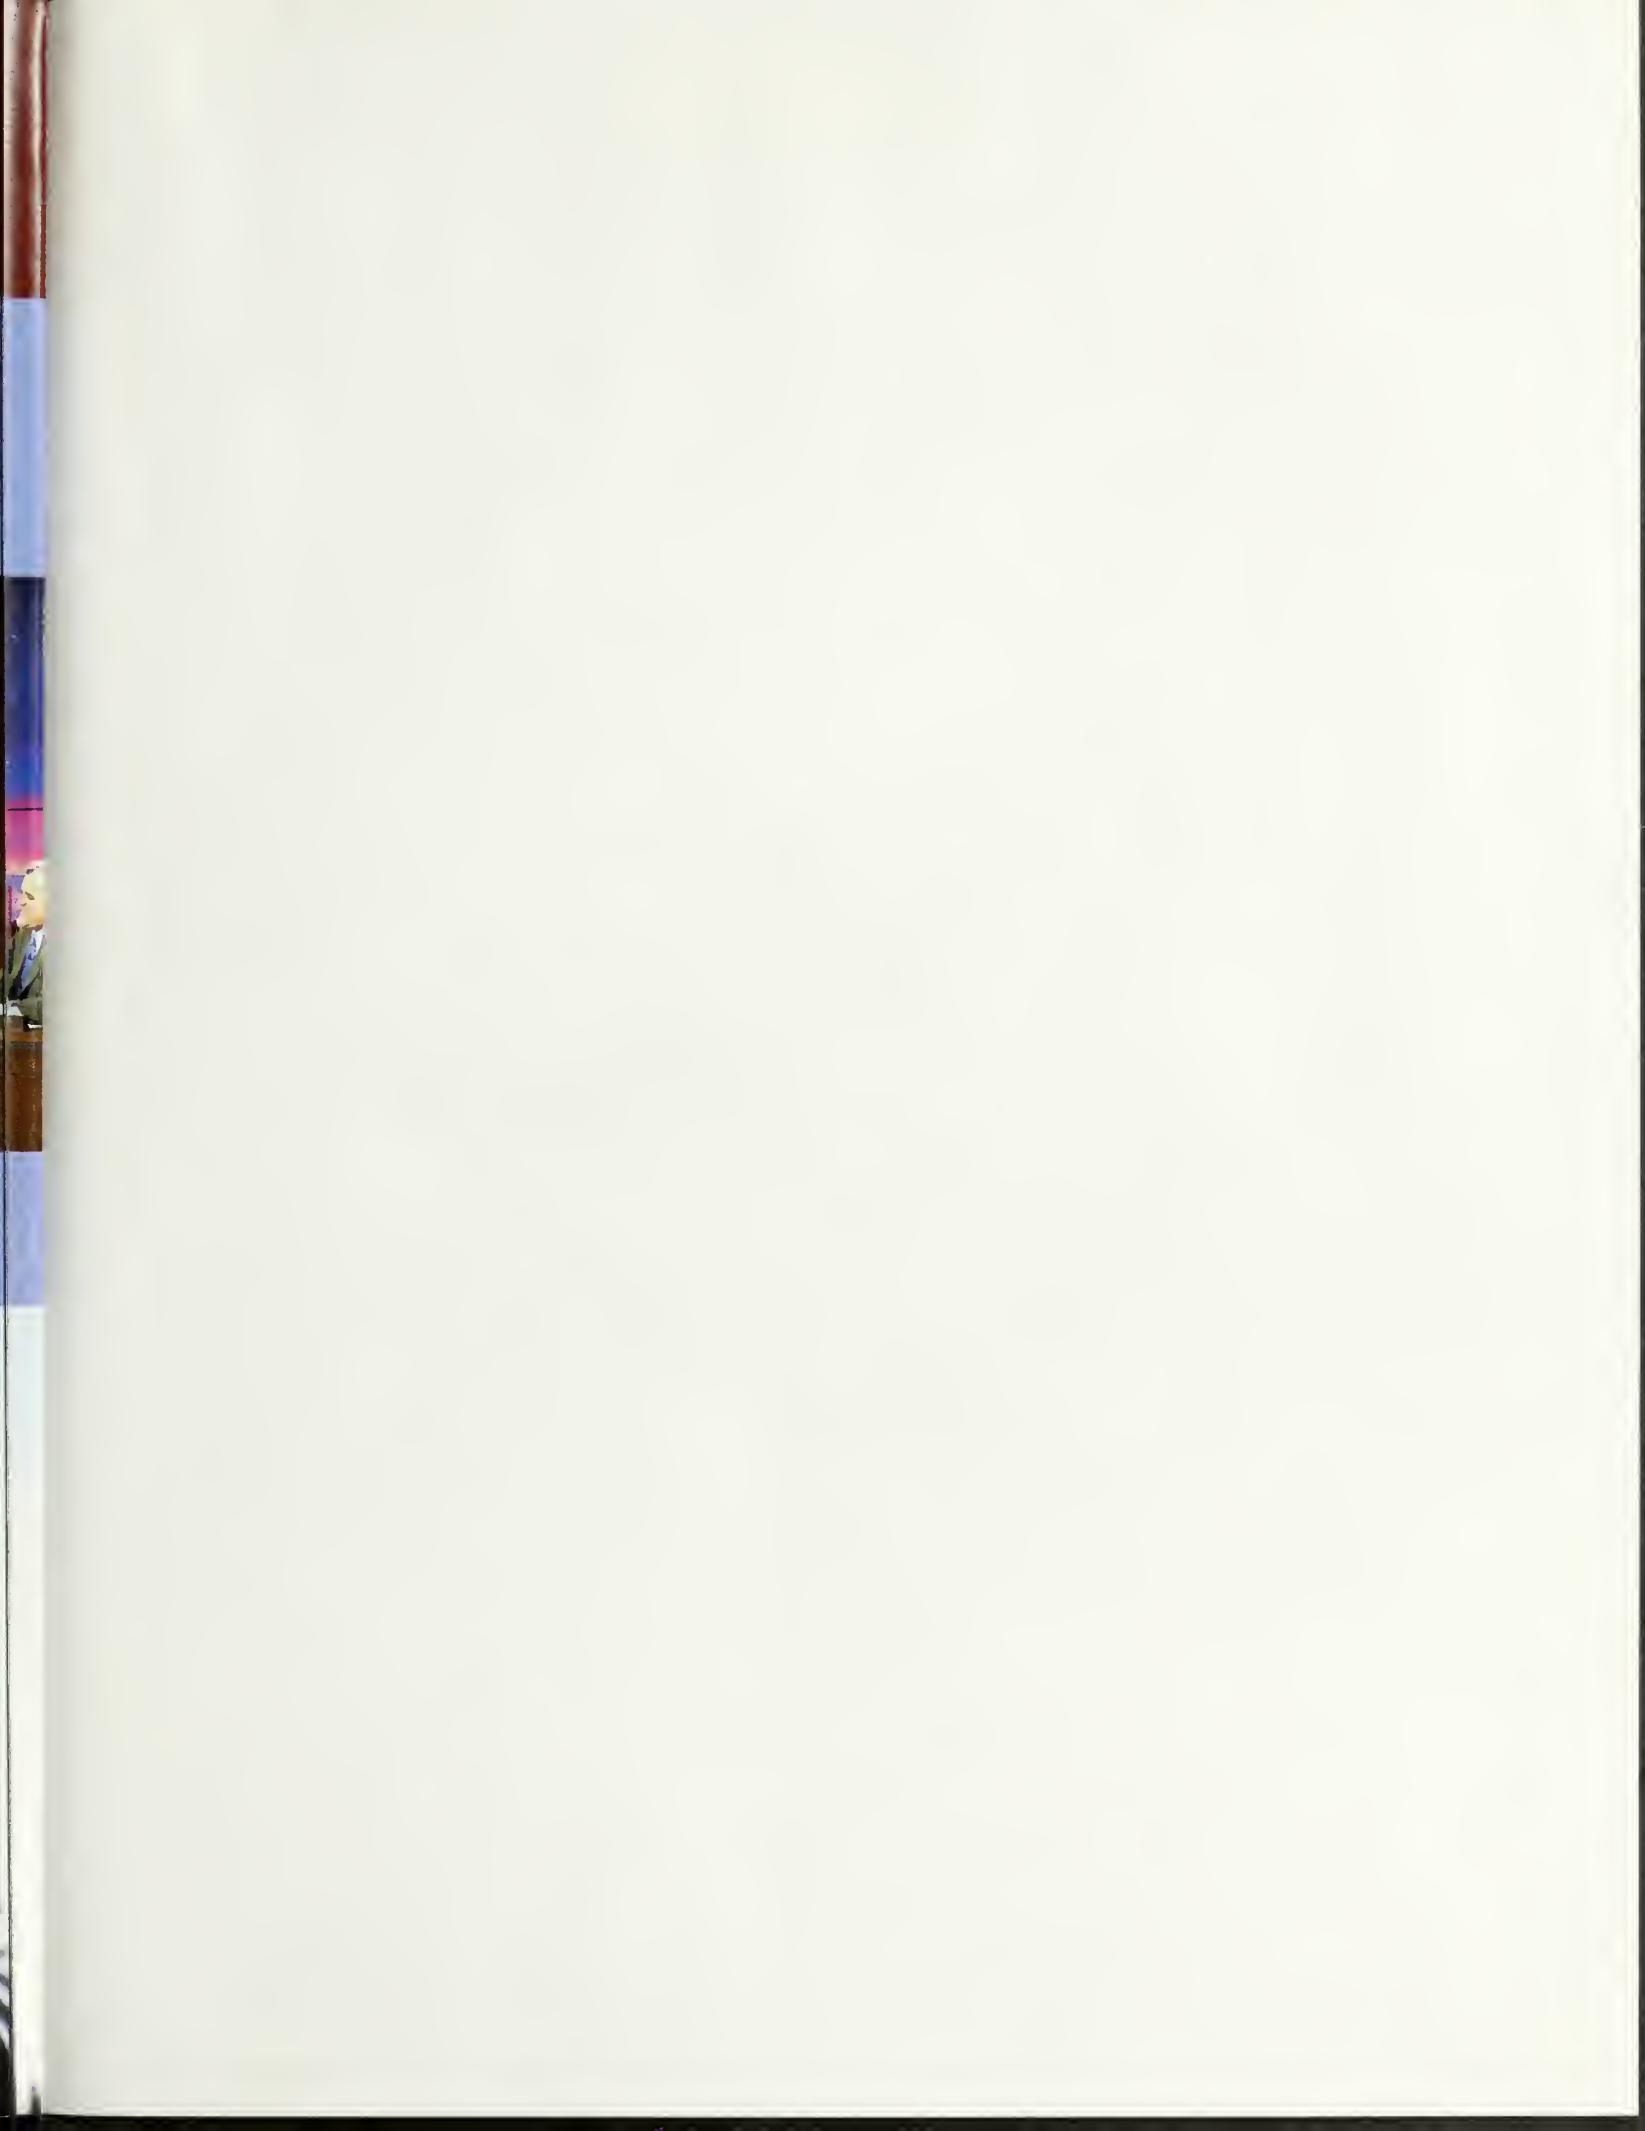

▲ Peter Jennings, anchor of ABC's "World News Tonight," dies of lung cancer in August. The popular TV journalist held the anchor position for 22 years.

▲ Coretta Scott King, legendary civil rights advocate and widow of the Rev. Martin Luther King Jr., dies in January 2006. She was 78.
